

## Help Our School Library Grow With Simcha Books!

What a beautiful and special way to teach the *Mitzvah of Tzedakah!* Learning to give as well as to receive on one's birthday or other special occasions! When your child participates in our Simcha Book Plan, he/she helps to increase our library collection, learns to share, and receives an inner glow knowing that he/she did something special.

A special birthday card is presented with each book, and a book plate notes that the book was donated by **(name)** on his/her birthday **(date)**. Each book is selected with the child's interests in mind. At the time of his/her birthday, he/she is the first to read the book, after which the book becomes a part of the library's permanent collection.

To simplify bookkeeping and billing costs, we are asking a fee of \$20.00 per book. Most books cost a dollar or two more, some a dollar or two less. However, this amount evens out on an overall basis.

*Thank you for your Participation!!*
