LOCATION: BOWLING CITY; HACKENSACK, NJ

Character is built on respect, discipline and drive - values that underpin the RKYHS athletic program. Our goal is to enable student athletes to mature socially, emotionally and physically, while committing themselves to achieve their personal best during practice and competition. As a result, RKYHS athletes learn to accept both victory *and* defeat with poise and grace. Coaches, parents and fans also play an important role in our program, by supporting our goals in addition to our teams.
