

Dear parents,

You may now sign your children up for school lunch for the second session of school

We thank you for your trust in providing wholesome, delicious meals to power your children through the school day.

The students that signed up for a half-year meal plan will end their session on January 19th. If you would like your child to continue on the meal plan, please sign them up for the next session, which runs from January 31st through the end of the school year.

If you are not planning on signing them up, we recommend that you add some funds into their account, so that they can get lunch when needed.

Please log onto the secure website www.myschoolaccount.com. This is the same site used in previous years, with the same ID#s. If you don't have, or remember your child's ID please email me at shimtalcaterer@gmail.com, or stop by the cafeteria.

Click PREORDER. CLICK on the date January 31st

The meal plans will show up with the prices. As in the past you can choose 5 days a week (most economical) or specific days.. Please sign up before Thursday Jan. 27th, so we have enough time to order and prepare everything

Please keep in mind the lunch meal plan does not include breakfast, or after school café. For these purchases, please add funds online.

For more information on the lunch program, and menus, please check out the JKHA website, Click links, foodservice.

Labriut,

Thank you, and looking forward to a strong partnership with you to ensure our children are well fed.
