

1. Question: May students eat in school?

Answer:

- **Early Childhood and Lower School** students eat at designated times. Students are encouraged to eat outdoors when possible at their designated tents. When necessary, students may eat in the classrooms when seated at their own desks while being social distant.
- **Middle School and High School** students are encouraged to eat outdoors; many outdoor areas are available for student use around the perimeter of the building. In case of inclement weather, students are permitted to eat only in their community rooms. Eating in classrooms or in public areas is not permitted.

2. Questions: May students drink in school?

Answer:

- **Early Childhood and Lower School** students may drink at their desks during drink breaks, snack and lunch.
- **Middle School and High School** students may drink in their community rooms or outdoors. Students are not permitted to drink in classrooms or in public areas.

3. Question: Are students permitted to take drink breaks or food breaks?

Answer: Yes.

- **Early Childhood and Lower School** students have designated eating and drinking times. Teachers are especially encouraging drink breaks and refilling of water bottles through the day. See questions 1 and 2.
- **Middle School and High School** students should ask their teachers for permission to take a food or drink break during classes if needed.

4. Question: Do students need to wear masks in the building even if they are not in the vicinity of others?

Answer: Yes. All members of our school community are required to wear masks at all times, unless eating. Masks must snugly cover the nose and mouth.

5. Question: Are students required to wear masks outdoors?

Answer: If students and faculty are socially distant outdoors, they do not need to wear masks. However, if students and/or faculty are in close proximity to one another while outdoors, they need to be masked.

6. Question: I understand that I must self-report the use of Advil/Tylenol on the app, but what if the Advil/Tylenol is used to reduce pain?

Answer: Please make sure to check your child's temperature before he or she takes the last dose of Advil/Tylenol before completing the checklist.

7. Question: If I must report that my child is learning remotely with a 24 hour notice, what do we do in case of sudden non-Covid related illness?

Answer: The 24 hour rule relates to students who will be learning from home because of Covid concerns, not sudden health concerns. If a child is ill or cannot attend school, a parent should notify the school as soon as possible.

Please note these important transportation updates:

- Please enter our campus cautiously, driving at a safe speed, and be mindful of children who may be exiting cars unsafely.
- Please insist that your children alight from your car in a safe and responsible manner.
- Please reiterate to your children that they may not walk in front of or between cars to reach you.
- Please exercise driving etiquette and model consideration for others while arriving for drop off and dismissal (this is good advice even while on public roads).

Arrival High School Entrance (Middle School/High School Students):

- Arrival begins at 7:50 am.
- Children must be dropped off on the sidewalk by the High School, not on the road or parking lot.
- Children should be masked before they exit their cars so that the line continues to move efficiently.
- Arrival drop off time ends at 8:15 am.
- After 8:15 am please drop off children in the front of the JKHA entrance.
- Do not double park.

Arrival Dining Hall Entrance (Early Childhood/Lower School/Middle School):

- Arrival begins at 7:50 am.
- Do not allow your children out of the car until a JKHA/RKYHS administrator has approached your car.
- Children should be masked before they exit their cars so that the line continues to move efficiently.
- Arrival drop off ends at 8:15 am.
- After 8:15 am please drop off children in the front of the JKHA entrance.
- Do not double park.

Thank you for your cooperation.
