**Tuesday, June 16th**

1. All students should come to advancement wearing their gowns. Cars/families are invited to pull in to the RKYHS parking lot starting at 7:15 pm; advancement will start promptly at 8 pm. Expect a festive atmosphere, and feel free to honk and make noise for your advancees!
2. Students will be in different groups (Group A, Group B etc.) with 6 students per group so as to make sure we are socially distancing; students will be called out of their cars by group, at which point they should exit their cars and make their way towards the condo-end of the parking lot to approach the stage to get their diplomas. Group letters and student names will appear projected on our screens in case anyone forgets his or her designation.
  - a. All students should watch the video we sent of how they are to exit their cars to get to the condo-side of the RKYHS parking lot to approach the stage.
3. Students will get their diplomas (contactless pick-up!), walk across the stage, wave at the video that is being made of them crossing the stage, and end with a picture taken by Zush, provided compliments of JKHA.
4. Advancement will conclude with a video montage.

As cars pull out of the RKYHS lot, Shlomotions will be making a video of students leaving--students should wave out the window/honk their horns, celebrate visually that they DID IT!
