

**Dear Second Grader,**

**Can you believe that summer is almost over? We hope that you have been enjoying it. We have been busy getting your new classrooms ready for your arrival. There are many exciting learning adventures waiting for you in second grade. Just come prepared with a smile!**

**This year you will be receiving a brand new Chumash, reading chapter books, having writing workshops, doing many hands on science experiments, learning Torah in Hebrew, writing paragraphs in Hebrew, reading in Guided Readers, learning about the Chaggim, and working on computers in our very own classroom computer lab! Of course, there are so many other things too, but we do not have room to mention them all!**

**We cannot wait to greet you and welcome you to our classes.**

Dear Parents,

Welcome to Second Grade! We have a great year planned for your child and we look forward to partnering with you.

The first day of school for Second Grade will be on **Tuesday, September 3rd**. We will provide time during the day for students to unpack their supplies and to get settled. SchoolKidz supplies will be delivered directly to the classroom.

On the first day of school please send in:

- 2 peanut/nut-free nutritious snacks (PM snack should be parve)
- Meat or parve lunch (if you bring your own lunch)
- Your child's Siddur

Together we can help your child have a great start to Second Grade. Enjoy the rest of your vacation and we look forward to seeing you soon!
